# ABOUT US

RIW OTOMOTIV DAĞITIM SANAYİ VE TİCARET A.Ş., is a suspension parts (ball joint, tie rod end, axial joint, link stabilizer, control arm, wishbone, bushing) manufacturer that is well known with the "QUALITY and RELIABILITY" of its trademark **RIW** in the automotive aftermarket industry.

Basing on our 40 years of experience in the sector and a vision of customer satisfaction, we currently export more than 40 countries in 5 continents, particularly Europe, Asia (Middle East), Africa, USA, Australia and CIS countries.

## WHY RIW?

- Trademark Reliability
- Wide range of products
- Delivery of all products in hologram box
- Easy access to **RIW** references via international databases, **Tecdoc**
- Central position in terms of logistics
- Competitive and reasonable prices
- Inclusion of new products in the production schedule and application in a quick and controlled way
- Premium Quality and Certificates

## QUALITY AND ASSURANCE

Subject to the quality control at all stages of the production, our products are produced according to the quality management assurance standards of ISO 9001:2008 by taking into consideration the end user's "security of life". We also have GOST (TOCT) certificate which is applicable in the former (old) USSR countries. The materials are formed into draft by forging steel grades SAE 1045 (DIN C 45) and SAE 5140 (DIN 41 Cr4) in the hot and cold forging plants and machined on the CNC machines and processing centers to become semi-finished products and then they are made into final products at the assembly plants to finally offer to the service of the automotive industrial sector.

**RIW OTOMOTIV** holds the total quality as its aim and the target quality is monitored by the following tests throughout all manufacturing processes.

- Mass production start
- Process Control
- Operation Control
- SPC (Statistical Process Control)
- Histogram
- Calibration Plan
- Laboratory tests (Hardness, Surface Roughness Control, Coating Thickness, Torque, Resistance, Lifetime Service Tests).
- MSA (Measurement System Analysis)
- NMSA (Measurement Systems Analysis for Molds)
- Final Quality Control

Our products that successfully pass these tests and become finished products are packed under the trademark **RIW** to offer service in the sector.

**All RIW-branded products are covered under warranty for 1 year in a number of countries, including USA and Canada. In case of any RIW-branded product causes any accident, it is covered up to TRY100,000.00 / USD30,000.000 depending on the survey report to be kept evidencing that the said damage arose from the RIW-branded product.**
